

Fire Fighting System

- **Product range:**
Fire pipes, fire valves, slotted pipe fittings, galvanized pipe fittings, fire sprinklers, fire hydrants, fire reels, pressure switches
- **Diameter range:**
DN15-DN300, 1/2"-12"
- **End connection:**
Groove, thread, flange
- **Material:**
Ductile iron, carbon steel
- **Pressure range:**
200PSI-300PSI

WEIZIDOM Group is specializes in the manufacturing, sale and after-sale service of valves, pipe fittings, water meters, flow meters and other pipeline accessories. Our products can be widely used in water system, construction, petroleum, chemical, power plant, municipal, medical and other industrial fields.

Now we have 5 factories domestic, which located in TIANJIN, WENZHO, HEBEI, LIANYUNGANG, SHANDONG. We take strict QC procedure, our each product will experience 12 times test from raw material to the final product. Our products can meet multiple standards such as GB, ANSI, API, AWWA, DIN, BS, ISO, etc...

In the past 20+ years of WEIZIDOM development, we have done more than 1000+ successful projects, mainly involving water system and construction, fire fighting system, oil and gas, chemical industry and other fields. We not only provide products, but also devote ourselves to understanding the needs of customers, providing the customized solutions.

WHY CHOOSE US

Factory direct sale, saving costs for your projects.	Wide product range, diversified product standards. We provide products in various standards such as ANSI, DIN, JB, JIS, EN, EU, GB, API, etc.	One-stop service. We cover all series of products for water systems, fire protection systems, oil and gas, construction, etc. satisfy your diverse needs.	1000+ projects experience to provide customized solutions for every customer.	5 domestic factories, 4 international warehouses and many foreign branches.	60+ engineers team, 20+ quality inspections for each product before leaving the factory, ensuring safety, reliability, and durability.	30+ professional after-sale services team, continuous customer visit service, to be your lifelong partner.

WEIZIDOM GROUP

Fluid Control Solutions And Services

集团总部：中国·郑州华南城中原电商大厦
 分工厂：上海·天津·河北·山东·温州·连云港
 驻外分公司：非洲·坦桑尼亚·赞比亚·肯尼亚

销售热线：+86-13849013722

WEIZIDOM GROUP

- **Product range:**
Gate valves, butterfly valves, check valves, exhaust valves, filter, pressure reducing valves, gaskets, pipe fittings, flow meters
- **Diameter range:**
DN50-DN3000, 2"-120"
- **Pressure range:**
PN10-40, 150Lb-300Lb, 200PSI-300PSI
- **Medium:**
Water, gas
- **Material:**
Cast iron, ductile iron, carbon steel
- **Application fields:**
Dams, hydroelectric power plants, pumping stations, urban pipeline networks, water treatment, buildings, wastewater treatment, etc.

- **Product Range:**
Gate valves, butterfly valves, globe valves, ball valves, check valves, plug valves, knife gate valves, control valves, pipes, fittings, flanges
- **Diameter Range:**
DN15-DN1200, 1/2"-48"
- **Pressure Range:**
PN10-100, 150Lb-600Lb
- **Medium:**
Water, gas, oil
- **Material:**
Carbon steel, forged steel, stainless steel
- **Application Fields:**
Petroleum system, natural gas system, power plant, mining, etc.

- **Product range:**
Gate valves, butterfly valves, globe valves, ball valves, check valves, control valves, regulating valves, pipes, fittings, flanges
- **Diameter range:**
DN15-DN800, 1/2"-32"
- **Pressure range:**
PN10-100, 150LB-600LB
- **Medium:**
Water, gas, oil, corrosive medium
- **Material:**
Stainless steel
- **Application fields:**
Chemical plants, paper factories, textile factories, sugar factories, palm oil factories, etc.
